PEOPLOGICASKILLS

- *LOW COST* SCREENING & SKILLS TESTING TO *STREAMLINE YOUR* RECRUITMENT PROCESS

Fully Customisable Tests

Test can be easily created by one of our three creation methods. Our extensive range of subjects means you can develop tests with specific questions to evaluate important requirements of the role

Online Candidate Experience

All tests are completed online via our two browser link options. Candidates can be emailed a unique link to complete through our platform or general links can be embedded into emails, job listings or websites. Our question navigator guides candidates easily through the completion of a test

Straightforward Reports

Uncomplicated reports allow for quick interpretation and our report builder means you can filter by difficulty level, subject and topic. Reports can be downloaded via Microsoft Word, Excel or Adobe PDF and candidates can be emailed their results with the click of a button

BENEFITS

SIMPLE TO USE...POWERFUL RESULTS

- Streamline your screening and selection process
- Screen candidates for essential job skills before resumes are reviewed and interviews organised
- Identify candidates with exceptional job skills who might otherwise have slipped through the net
- Increase the accuracy of your recruitment processes
- Save money and improve the quality of candidates
- Enhance the legal compliance of your hiring processes

Extensive range of over 900 subjects and 4,000 subtopics
