Low Cost Screening & Skills Testing

Why Peoplogica Skills?

PEOPLOGICA
CLEAR-CUT RESULTS, LOGICALLY

By using Peoplogica Skills, organisations now have the ability to screen candidates more effectively for all their roles, as well as test the knowledge of existing employees (eg. OH & S Policy and Safety Policy knowledge). This versatile testing platform provides the following advantages:

- Fully customisable tests to suit your needs

- Largest range of skills and knowledge

  tests available in Australia

- More than 250 standard tests available

- New tests added every month

- Ability to combine tests

- Questions can be in group order or shuffled

- Questions can be timed or untimed

- Test results easily accessed from test centre or emailed

  directly to HR/Management

- Candidate login and test result management

  via API integration

Why test candidates for skills & knowledge?

- Streamline your screening and selection process

- Screen candidates for essential job skills before resumes are reviewed and interviews organised

- Identify candidates with exceptional job skills who might otherwise have slipped through the net

- Hiring processes are more accurate

- Save money and improve the quality of the candidates

- Enhance the legal compliance of your hiring processes
